- LION BRAND Fun Fur
1 ball (1 ball of each for 2-color versions) in color(s) of your choice
(**Note** Colors in three versions shown (left to right) are #191 Violet with #100 White – colors worked in sections for stripes; #207 Citrus – 2 strands of same color held together; #098 Ivory with #153 Black – 2 colors held together)
- 1 pair of colorful flip-flops
- LION BRAND size K-10.5 (6.5 mm) crochet hook
- LION BRAND large-eyed blunt needle (to weave in ends)

HELPFUL HINTS

Use a good light.

Flip-flops are made with 2 strands of yarn held together and used as though they were a single strand.

For single-color effect, you can EITHER crochet from 2 balls of the same color yarn OR you can pull 1 end from the center of a ball and 1 end from the outside.

For a mixed 2-color effect, crochet with 1 strand each of 2 colors.

For the striped version, change colors every 15 stitches or so.

FLIP-FLOPS

Make a slip knot with 2 strands of yarn held together.

Holding the yarn across the top of the flip-flop strap, reaching under the strap, catch the yarn leading from the balls with the hook. You now have 2 (double strand) loops on the hook. Wrap the yarn around the hook and pull it through both loops. You have now made a single crochet. Repeat until the strap is completely covered.

When the strap is completely covered, cut the yarn to 5" and pull the ends through the last remaining loop. Thread the blunt needle with the yarn ends and pull back through a few stitches to hide (you can also use a crochet hook to do this). Trim the ends.

Note For best coverage start at the toe in the center of each strap and work back, then return to the center to do the other side.

For a very furry look, push the stitches tightly towards the toe.

OPTIONAL

Finish your flip-flops by gluing a large button, rhinestone, or beads to the toe.
